<u>Depending on the label you are using you may need to change the printer setup in Windows</u>. Follow these steps if needed.

<u>Start/Control Panel/ Devices and Printers.</u> Your printer (in most cases it will be a Dymo printer) should have a green check mark to show it is the default printer. If not right click on the printer and select set as default printer.

Right click on the Dymo and select Printer Properties

Select Preferences: Orientation should be Landscape. Select the Advanced tab.
